## Valentine's Day Edition

### What do you do for Valentine's Day?

On Valentine's day, we give out cards and chocolates. People go out on dates to treat their loved one's to a nice restaurant. I would take her out for dinner and treat her with lots of love and also buy her roses. Then, we'd go to see a romantic movie and listen to romantic music.

I celebrate Valentine's day with my fiance by baking him a cake. I will be giving him a cute teddy bear with hearts on the side and also a cute heart that says, "I love you"...

Happy Valentine's Day Mom,

I love you, you're a sweet heart. You make me feel loved at home. You have a special Valentine's Day.

Love Karen

Love is the most wonderful thing of all. When you love somebody you tell them how you feel and when you love them, they will love you back. When somebody gives you a big kiss! That's how you know that you they love you.

## Poet's Corner

### "Ode to McDonald's"

McDonald's is my favourite restaurant  
How do you make hamburgers?  
I like to go there  
The pickles taste "yucky"  
Chicken Burgers are good  
French Fries taste sour  
I like to eat Fries  
I want to work there  
I like to eat Big Mac's

### "Snow"

Snowflakes melt in your mouth...as well  
as in your hand!

### "Snow Flies"

Snow flies in the sky  
I see it when it goes by  
And I would never lie  
Or I would eat apple pie  
And I also run in the sky  
As days go by  
Like stars in the country side  
And because I have pride  
And I hurt my side  
As I take a ride  
As I slide down and cried  
And then I sat down and died  
As I took a brand new car ride  
To the moon the sky  
And I eventually fell and got tied  
And time at SOAR ran dry.

### Movies

I saw the Movie Signs,  
Swimming Fan and Barbershop.  
The movies I did not see are  
XXX, Blue Crush and Stuart Little 2.  
I cannot wait to see 8 Mile,  
because it's with Slim Shady.  
I would like to watch Men in Black 2 and  
Monsters Inc. too

### Sometimes Jokers and Cards

It's about jokes. When  
people are playing cards  
there is a joker card.  
Sometimes they play  
Poker and Sometimes  
they play other games. Sometimes you  
get Jacks, Kings, and Queens.  
Sometimes you get numbers. Sometimes

*"Sometimes... I feel like a  
nut...sometimes I don't"*

cards.

By: James

you get Spades, Hearts,  
Clubs and Diamonds.  
Sometimes cards are Red  
and sometimes they are  
Black. Clubs and Spades  
are Black and Diamonds  
and Hearts are Red.  
Sometimes I like to play

## Sports Talks and Horoscopes

### National Basketball Association

Toward the end of the summer the World Basketball Championship was won by Yugoslavia. The 2002/3 NBA season started off well for the Raptors. Tracey Murray was traded and Hakeem Olajuwon announced his retirement when the Raptors played in Houston.

### National Football League

My favourite sport to watch is football. My favourite team is the Pittsburgh Steelers. This season their record is 5-3-1. They are in first place in the North Division. The latest game they played was in Atlanta where they tied 34-34 in overtime. I hope they make it to the Superbowl.
